Grow Closer Through Prayer

I long to spend time with God. "Just a closer walk with thee" is what we all should long for. For the past several weeks we have been looking at the words of Jesus in Matthew 6:9-13 ... the Lords' Prayer.

I find it interesting how Jesus reminds us prior to His prayer to approach God humbly, to keep it simple and be genuine in our relationship before Him. He then challenges us to focus on who God is – He is Holy. That is the essence of hallowed be your name that His name is to be honored as holy. Then Jesus turns His attention to the Kingdom... "may your kingdom come." May we see and pray for the Kingdom to expand in each human heart. Then he focuses on our needs.... "Give us today our daily bread." Our needs now come into focus and we are reminded that God is Jehovah-Jireh... "my provider." His Grace is sufficient for each of us.

May we never put prayer into a simple formula, but may we strive to live a life that says I'm third. God... Others ... then self. May we each be challenged and stretched in our prayer lives and to walk closer with God.

Praying with and for you -
Clay
